BAPAS BEERPAIRING MENU

DELICIOUS BEER WITH MATCHING FOOD

What wine
can do,
beer
can as well!

At least at Bapas: From now on, the food accompanies the beer not the other way around.. We take you on a journey through the Bavarian beer culture: from the traditional Andechs Monastery to the Young & Wild from Waakirchen to those who unite both things, Riedenburg! Different culinary delights that make the beer stand out.

THE BEER	THE SIMBIOSIS	THE FOOD
 <p>ISAR BIER 4,7%</p>	<p>Refreshing as a jump into the cold water of his namesake. A light citrus note in combination with the unmistakable smell of hops accompanied by the mild taste of the veal topped with lemon vinaigrette. Easy & perfect!</p>	<p>PINK VEAL (COLD) With lamb's lettuce and marinated mushrooms</p>
 <p>ANDECHSER HELLES 4,8%</p>	<p>Tradition meets tradition. When we think of Andechser Helles, we think of hay, mild malt and cilantro. This enjoyment is supported by a fine mushroom sauce and mild Appenzell mountain cheese.</p>	<p>SPINACH DUMPLINGS With mushroom sauce, Appenzeller and baked rocket salad</p>
 <p>ANDECHSER WEISSBIER 5,5%</p>	<p>Andechser Weissbier = banana, banana = Andechser Weissbier. And there is nothing more to say about that! But: delicious!</p>	<p>SORBET OF BANANA with Wheatbeerfoam</p>
 <p>HOPPEBRÄU VOGELWILD 6,5%</p>	<p>Here come the young savages with strength, endurance and great taste. Pork Roast? Exactly, the bavarian classic with some caraway and a hearty sauce is the only one strong enough for this . Pure intensity!</p>	<p>MINI PORK ROAST with potatoe dumplings and white cabbage salad</p>
 <p>RIEDENBURG DOLDEN DARK 6,9%</p>	<p>The crowning glory: this porter puts every other dark beer in the dark. Coffee, chocolate, smoke – a great demonstration of power. Everything fits together just perfectly!</p>	<p>MINI CHOCOLATE CAKE with white coffee sauce</p>

WHERE DID WE GET THE IDEA FROM? From our friend Karl from Belgium.
